All TSW4 Acryli-Master coating jobs must be reviewed prior to and upon completion of application with TSW, Inc.

This Stuff Works, Inc (hereafter referred to as TSW), warrants TSW4 Acryli-Master to be an effective surface shield against all common coating forms of graffiti vandalism for a period of five years from the date of initial application when applied per manufacturer's application instructions and properly maintained. The foregoing shall be the only remedy of the Owner or Licensed Applicator under this Limited Warranty.

The duration of the Limited Warranty shall not be extended by the supplying of any replacement material but the remaining Limited Warranty period shall be in effect and is applicable to the restored areas under the conditions of the Limited Warranty. TSW hereby disclaims all liability for the improper use or misuse of its products and defective or negligent workmanship of the Licensed Contractor and or Applicator. In the event of false or inaccurate information in the application for warranty and if such information was relied upon to issue the Limited Warranty, then the Limited Warranty will be void.

Any claim under this Limited Warranty shall be presented in writing to TSW at the address above during the Limited Warranty period and within Forty-Five days after any covered condition has occurred by sending written notice to TSW. Failure to provide written notice within the specified time period shall discharge TSW from any and all obligations under this warranty.
